OFFICE OF
The Director of Archaeology
in Mysore, MYSORE.

Date 2nd July 1955.

To

The Secretary to the Government of Mysore,
Home, Forest and Agriculture Departments,
Atara Kacheri, BANGALORE.I.

Sir,

Subject: Allotment of funds under the various items of expenditure in the Budget of the Department Sanction requested.

1) With reference to your letter No.C.&.D.1509, dated 22-6-1955 on the above subject, I write to state that most of the items of expenditure mentioned in this office letter No.87 dated 23-5-1955 like Photo materials, Impression materials for the Epigraphy Section, Service Postage labels, Drawing materials, etc., are absolutely essential for the conduct of the day to day work of the Department and only the minimum requirements for the year have been provided.

2) There is immediate necessity for getting certain blocks prepared for illustrating the publications of this Department like the supplementary volumes of Epigraphia Carnatica series - Tumkur District, letter press of which has been completely printed and its publication is held up mainly for want of blocks for illustrating the same. The sum of Rs.500/- provided for this item is absolutely necessary.

3) Again without the proper reference to the latest publications, the research of the Department cannot be up-to-date. Several new and very important publications that have recently appeared have to be acquired for the office library.

4) A good number of estampages which have been collected during tours are lying in heaps and have to be properly preserved from further decay. Besides the photo negatives and prints have also to be preserved. Hence the purchase of almirahs and other articles of furniture are necessary for this purpose.

5) I therefore request Government kindly to accord sanction for the several items of expenditure mentioned in this office letter No.87

dated 23-5-1955. The purchases etc., however will be made keeping in view the bare minimum needs required for running the Department.

Yours faithfully,
